Dear Parents,

Don't forget to bring the ingredients for the candy houses that we will make this Friday about 1:15 p.m. Parents are welcome to come and help. Please let me know if you are not able to bring the item assigned to your child.

I hope that you and your child have decided how they can serve others with the \$5 that I gave each student. After Christmas we will discuss our choices and results. Pictures, too, would be great! I really am hoping that your child feels involvement in this service project. Let me know if you have any problems.

Don't forget that everyone needs to remember to bring a book for the Christmas gift exchange by next Monday morning, Dec. 18. Please let me know if your child will not be participating.

School is over at noon on Tuesday, Dec. 19. Our chapel service will be at 10 a.m. instead of at 8:30 a.m. We will be celebrating Jesus' birthday. Our eighth grade buddies will be planning some games for us and we will be sharing cupcakes and apple juice. (We will need a volunteer to bring 24 cupcakes and another volunteer to bring 24 bottles of water).

Tuesday evening, Dec. 12, is our Christmas fine arts concert with the choirs and the musicians. It begins at 6:30. Hope to see you all there.

Hephatha's weekly Advent service this Wednesday begins at 7 p.m. and dinner is available in the fellowship hall beginning at 6 p.m.

Our Christmas Eve services are at 7 and 11 p.m. and our Christmas Day service is at 10 a.m. Please remember to celebrate the real reason for Christmas—Jesus' birth.

Jesus Is the Reason

Please encourage your child to read over Christmas vacation. The book report forms for Trimester 2 are on the second grade website—click on Forms. Completing these book reports are so much easier to manage if your child does them throughout the trimester than waiting until it is close to the due date.

Have your child check out some of the other subjects on Moby Max over vacation. (As well as the math).

Our next field trip takes place on Jan. 19 and the cost is \$10 per person (adults and students). It is a hands-on tour of the historic 1898 Kellogg house. Students will learn what life was like in the 1890's by playing with vintage toys, doing laundry, making butter, dressing up in Victorian costumes, etc. Please sign and return the permission slip and money.

Our VIP this week is Marcelo. He has one older sister. His favorites include the color dark blue, Legos, meat on the grill and rice, chocolate ice cream, and Christmas. His hobby is playing with Legos. He wants to grow up to be a scientist.
